

Mrs. Chris Reichert

Director of Curriculum and Instruction

2 Years with St. Peter School

26 years teaching experience

1993 Golden Apple Award

2011 First Catholic School to receive the Lighthouse Leadership School in Illinois

I am very excited to be a part of the St. Peter School family! I previously taught at St. John the Baptist/

All Saints School for 12 years. I was then honored to be the principal of All Saints/Blessed Sacrament Catholic School for 13 years. I am currently completing my 26th year within the Quincy Catholic School system.

What I find most exciting about my new direction is that I am learning so much, working with a great staff, and learning over 400 student names. Curriculum is such a rewarding avenue in allowing me to work with teachers to help them

create successful learning opportunities for our students. Teaching is a process that never ends. This is so exciting! I truly feel privileged to be a part of so many teacher's classrooms as well as work with students every day!

St. Peter School staff truly believes that they need to model to their students that learning never ends. Each year, the staff has created a focus to evaluate process and create how the learning can improve and meet the needs of each individual student. This year, our teachers will continue the focus of

striving to create a solid writing and reading program within the K-8th school program. An additional focus has been to create learning opportunities to meet the child at where they are and to help them grow academically, emotionally and spiritually. I am so honored and blessed to be a part of this process each and every day!

My teaching style:

I hope that through every interaction I have with a child I leave them believing in the leader and learner that they can be.

Get to know me...

I received my Bachelors of Ed at Western Illinois and my Masters in Administration at Quincy University. I married Joe Reichert in 1989 and were blessed with two sons Zach and Nick. Zach graduated

from West Point and Nick played football and graduated from Truman State. I enjoy spending time with my family! Joe and I love to see Nick play football and visiting Zach

in Hawaii! We are truly blessed and life is good!
