

Mrs. Kristin George

Pre-School: 3 Year Olds

2 Years with St. Peter School

15 years teaching experience

I feel so blessed to teach in a Catholic school where I can share my love of the Catholic faith. My goal is to integrate Catholicism into different aspects of our preschool curriculum. We sing songs about Jesus, incorporate a saint with our letters of the week, learn Bible stories, construct biblical crafts, learn to pray, and more. To me, this is the perfect time

for preschoolers, early-on in their lives, to know how they are especially made by God with love, to love. I grew up attending St. Peter School and Church. I graduated from QND and am a current parishioner. I love enriching my own knowledge of the faith, so that I can accurately share it with my family and students. I also use my faith

knowledge to teach the St. Peter, 5th grade PSR program.

My teaching style:

My teaching philosophy for the three-year-old preschool class is to show them the joy in learning. Play is how we learn in preschool. Puzzles, blocks, kitchen, woodshop, art, music, books, and interactive games are all vehicles for carefully constructed learning.

Get to know me...

I am a graduate of St. Peter School, QND, Millikin University, and Eastern Illinois University. I taught in the Quincy Public School system for 12 years before becoming a stay-at-home parent to two daughters: Campbell and

Grace. My husband Matt is employed by ADM Alliance Nutrition. In my spare time, I love spending time with my family. Whether it be at home, the swimming pool, dance class, or

on a long trip, being with my family is when I'm happiest.
