

Mrs. Sara Reeder

Music

17 years with St. Peter School

17 years teaching experience

17 years, PMO Band Director

15 years, Children's Handbell Choir Director

Like my daughter says, "you don't work, Mommy, you go to school!" I want students to appreciate music. They don't have to love it, as long as they try. And I love when we can have fun and learn at the same time. It doesn't have to be work, it can be enjoyable!

I never thought that I would be at St. Peter School for as long as I have, but I love it here! My dream was to become a high school band director. What I like most about teaching at St. Peter's is the students are wonderful and the faculty is so great to work with. Everyone is very caring.

We have been lucky enough to receive a grant to help in the purchase of many different instruments in our classroom.

We have a variety of xylophones, metallophones, glockenspiels drums and other percussion instruments. Students begin to play the recorders when they are in 4th grade. They continue with recorders through 5th grade. In 5th grade, students have the opportunity to join the PMO band. 5th and 6th graders have a group lesson here at St. Peter once a week. They also meet at QND once a week to practice with the band members from the other parochial schools (as well as St. James School and Quincy Christian). We also have a SMART Board

and iPads that we use to accentuate our music learning.

A unique opportunity for my students in grades 6th-8th (sometimes 5th) is the option to join the St. Peter Children's Handbell Choir. We are the only Children's Handbell Choir in Quincy. We perform at different church services, assemblies and concerts throughout the year.

My teaching style:

I want students to appreciate music. They don't have to love it, as long as they try. And I love when we can have fun and learn at the same time.

Get to know me...

I went to St. Dominic grade school and QND, then received a B.S. in Music Education from Quincy University. I was in the PMO band 5th - 8th grade, the QND band 8th - 12th grade, the QU Symphonic Band and Wind Ensemble 10th grade through college and have played in the Quincy Park Band over 20 years and counting. I started the St. Peter's Handbell

Choir and I love to give private instrumental lessons as well. I have been married to my wonderful husband, Bryan, for 10 years. I have a beautiful daughter Samantha., and my adorable son Jacob. We have a cat, Kilix.

My husband and I are avid baseball fans. He likes the Cubs and I like the Cardinals. We like to spend our summers traveling to

different ballparks throughout the US. So far, we have seen 15 different ballparks.

I hate to cook so I enjoy any kind of food that I don't have to make. I have a weakness for Pepsi. But spending time with my family is what I enjoy the most.
