

Mrs. Linda Myers

Remedial Resource

37 years with St. Peter School

38 years teaching experience

I taught first grade for twelve years and fourth grade for an additional twelve years. I have been the remedial resource teacher the past nine years.

I use individualized instruction that is personalized to each student's needs. I help them learn study skills and achieve success in their regular classrooms at St. Peter School.

I like teaching at St. Peter School because of the

emphasis on Catholic identity, teaching, and values. I enjoy the strong feeling of family between the faculty, staff, and students.

I received a B.A. in English from Quincy University with a certification to teach High School English. Later I returned to school at QU and received a certification to teach elementary school. In 2010 I received the Advanced Level Catechist Certification

from the Diocese of Springfield.

In 2012 I received a Masters in Literacy from Hannibal La-Grange University.

My teaching style:

I believe in personalized individual instruction to help students achieve their academic goals and individual best in the classroom.

Get to know me...

I am married to Gary, who is retired from the State of Illinois. We have two sons, five grandsons, a step-grandson, a step-granddaughter, and a step great grandson.

We also have a very spoiled black toy poodle named Max.

I like growing plants and flowers. I belong to the LaGrange Garden Club. I am a Blues Hockey

fan. I enjoy bird watching and have a variety of bird feeders. I also enjoy watching squirrels and feeding them.
