

Mrs. Maggie Erd

Fifth Grade

7 years with St. Peter School

10 years teaching experience

I have been teaching at St. Peter School since 2011 and loving every day of it.

What I like most about teaching at St. Peter School is coming full circle. It is an honor to be a part of the Catholic education offered to the children at St. Peter School since

St. Peter's is my grade school alma mater. I know Catholic education works—it worked for me!

I am a believer of the pragmatic philosophy for education. I feel students learn and retain information the best when multiple senses are used while learning new information.

My lessons allow students to see it, hear it, say it, and then do it.

My teaching style:

I feel students learn and retain information the best when multiple senses are used while learning new information.

Get to know me...

I received a B.S. in Elementary Education, endorsed in middle level math and science education from Eastern Illinois University. Previous to that, I attended Quincy Notre Dame and St. Peter School.

I have always lived in Quincy. I grew up with two older brothers which makes me the baby of the McFarland family.

In addition, I love to travel! On July 8, 2009 (07-08-09), I married Carl Erd at Mary Gate

of Heaven Catholic Church in Negril, Jamaica.

Currently, Carl and I reside in Quincy with our daughter Esmee.
