

St. Peter School Menu for February 2022

Pizza

National Pizza Day is February 9, 2022.

350 slices of pizza are eaten each second in the U.S. The average American eats more than 23 pounds of pizza a year.

Pizza offers a good source of protein, complex carbohydrates, vitamins and minerals, which is important to growing children.

Thin crust is the most popular crust of pizza around the globe.
