

Mrs. Amber Venvertloh

Pre-School: 3 Year Olds

2 Years with St. Peter School

First Year Teacher

I am so excited and blessed to be able to teach 3 year old preschool this year. My Goal is to make their first school experience a positive and FUN one! The children will learn about what school is, how to make friends, and share. I will do my best to ensure that they

will develop the skills needed to be successful in their new environment.

We will do a lot of learning through play. Play is one of the main ways in which children learn and develop. Catholicism is also incorporated into our preschool curriculum. We will sing songs about

Jesus, learn bible stories, and learn to pray.

We will also learn our colors, shapes, letters, and numbers.

Arts and Crafts are a MUST in preschool!

My teaching style:

Teaching preschoolers how FUN it is to learn!

I graduated from Quincy Senior High School, and Western Illinois University. I have a Bachelors Degree in Business. I have 3 years experience working with grades K-3 and 4 years experience working with

preschool age children. I will be attending school this fall to earn my teaching degree.

I am a wife to Jason, and Mom to Sadie, Georgia and Everly. We are parishioners here at St. Peter Church. In

my spare time I love to spend time with my family and friends.
