

Mrs. Chris Reichert

**Assistant Principal and
Coordinator of Curriculum and Instruction**

10 Years with St. Peter School
35 years teaching experience

I am very excited to be a part of the St. Peter School family! I previously taught at St. John the Baptist/

All Saints School for 12 years. I was then the principal of All Saints/Blessed Sacrament Catholic School for 13 years. I am honored to be in my 9th year at St. Peter School as the Coordinator of Curriculum and Instruction. This means I have been with the Quincy Catholic School System for 34 years!

What I find most exciting about my job is that I get to see so many students, work with a tremendous staff and celebrate my faith everyday. Curriculum is

such a rewarding avenue that allows me to work with teachers to help them create successful learning opportunities for our students. Teaching is a process that never ends. This is so exciting! I truly feel privileged to be a part of so many teacher's classrooms as well as work with students every day!

St. Peter School staff truly believes that they need to model to their students that learning never ends. Our staff seeks out opportunities to grow professionally so that they can reach our students wherever they are. Through their own

personal learning, our teachers are modeling that learning never ends. Together the staff and I work to give our students the best foundation for them to grow and learn in a faith-filled atmosphere. I am so honored to be a part of the learning process that takes place each day at St. Peter School.

My teaching style:

I hope that through every interaction I have with a child I leave them believing in the leader and learner that they can be.
