

Mrs. Emily Mellon

Second Grade

10 years with St. Peter School

10 years teaching experience

I love teaching at St. Peter! I am currently a teacher, parent and parishioner at St. Peter and I feel blessed to be apart of such a wonderful community.

I really enjoy second grade. The students are just beginning to become independent in the classroom and they grow so much throughout the school year. I love their curiosity and fun personalities. I hope to help my students grow by guiding them in their academics and in their spiritual lives.

I have the pleasure of preparing the students for the sacrament of Reconciliation. I feel blessed to have the opportunity to help my students mature in their faith.

In my classroom I hope to create an environment where all students feel safe, valued and supported. I try to create a classroom community where we value differences and work together.

My favorite subjects to teach are reading and science. I use the workshop approach in my classroom to provide each

student with the opportunity to have more individualized support through reading and writing conferences as well as guided reading. Guided reading allows students to have the opportunity to read books at their own levels and receive instruction in small groups of similarly leveled students.

I really enjoy the hands on aspect of science. We do a lot of experiments and activities in my room and I love to see my students' curiosity and excitement

My teaching style:

I believe in differentiating my instruction to help meet each individual student's needs while guiding them to reach their greatest potential.

Get to know me...

I received a Bachelor's degree in Elementary Education with endorsements in Special Education and reading from Quincy University in 2014. I graduated Summa Cum Laude. I have had the pleasure of teaching

second grade at St. Peter since my graduation.

I have been married to my husband, Cruz for 9 years. We are blessed with 4 wonderful sons: Ben, Daniel, Theo and Jonah. We also have a dog named

Bandit.

I love spending time with my family. In my free time I enjoy going on adventures with my boys, reading, and baking.
