6th Grade

3rd Year at St Peter School

4 years teaching experience

I am so excited to spend another year

nurturing young minds at St. Peter School! With a warm smile and a compassionate heart, I strive to create a welcoming and supportive classroom environment where every student feels valued and encouraged to reach their full potential. I believe in the power of education to transform lives and strive

to instill in my students a love for learning that extends beyond the classroom walls. I am deeply rooted in my faith and integrate Catholic values into my teaching, fostering a sense of community, empathy, and respect among students. I recognize the importance of character development alongside academic achievement, and work tirelessly to help students develop into responsible, compassionate, and ethical

individuals. In my classroom, I hope to inspire a love for learning, a strong sense of faith, and a commitment to service in the hearts of all who enter my classroom. I strive to be not just a teacher but also a mentor, a role model, and a guiding light for my students as they navigate the journey of adolescence.

My teaching style:

I strive to create a classroom community where students feel empowered to take ownership of their learning, ask questions and think critically.

reside in Quincy with our two dogs, Snoopy and Woodstock, and our cat, Luna. I received my Masters of Education in Curriculum and Instruction from Liberty University in 2023. In my
